Policy Document on Green Policy

MMK & SDM Mahila Mahavidyalaya, Mysuru focuses on **The Green Policy** to manage energy in a sustainable manner to ensure its maintenance and minimize its impact on the environment. The policy implies to the entire institution and is applied to all its stakeholders and to the various activities undertaken by the institution.

The Science and Nature Club in association with NSS and Ranger unit organizes environmental awareness and green campus initiative activities helping us to realize the responsibilities and obligation towards natural resources and its conservation.

College environmental objectives

- The staff and students have to contribute collectively to develop an eco – friendly sustainable campus and disseminate the concept of eco – friendly culture to the nearby community and wherever possible.
- Awareness creations about environmental issues among students, employees and general public.
- To motivate students to adopt environment friendly practices to plant tree saplings, save electricity, save water and other energy resources.

Green Policies:

- To reduce air pollution emissions using environment-friendly vehicles, including battery powered vehicles, public transportation and use of pedestrian-friendly roads.
- To install photovoltaic solar panels for the generation of alternative energy.
- To install LED bulbs in the complete campus to save energy.
- To develop systematic waste management mechanisms.
- To undertake a tree plantation drive.
- Turn PCs off or into stand-by mode when idle.
- Promoting the use of public transport.
- Creating awareness by organizing seminars, debates and activities related to environmental protection and issues by Science and nature club, NSS, Ranger and Youth Red Cross Units.
- In association with the government agencies, municipal corporation and the affiliating university and actively work with the local organizations in the areas of environment, energy efficiency and sustainable development.

- To monitor and respond to emerging environmental and energy issues. To strengthen our employees' and students' environmental knowledge and skills in order to improve our own environmental performance.
- This policy will be circulated to the employees and students and is also made available to all the stakeholders on the institutional website. The Green Policy, objectives and targets will be reviewed on a regular interval by the Governing Council and IQAC of the college periodically.
- Green Policy is also reflected in Rules and Regulations Hand Book for staff, students and stake holders.
- Institution undergoes Green Audit at regular intervals.
