PULSE POLIO SERVICE PROGRAMME 2021-22

Date: 27-2-2022

Venue: Mysore City In and around

In Association with : MMK Urban Family Health Center Mysore

Number of Participants: 25

INTRODUCTION

With the global initiative of eradication of polio in 1988 following World Health Assembly resolution in 1988, Pulse Polio Immunization programme was launched in India in 1995. Children in the age group of 0-5 years administered polio drops during National and Sub-national immunization rounds (in high risk areas) every year.

OBJECTIVE:

The Pulse Polio Initiative was started with an objective of achieving hundred per cent coverage under Oral Polio Vaccine. It aimed to immunize children through improved social mobilization, plan mop-up operations in areas where poliovirus has almost disappeared and maintain high level of morale among the public

OUTCOME

Health Center Organized awareness program about Pulse Polio. Rangers volunteers successfully participated in the pulse polio campaign conducted by Mysore City Corporation and health centers. Volunteers are satisfied with their service and it is helpful to gain their Ambulance men Badge and Community worker Badge , those badges are mandatory for Governor award.
