

1. **DEPARTMENT: BIOTECHNOLOGY**
2. **PROGRAM TITLE: Biosparkles– Career and Entrepreneurship Guidance Program- “Artificial Intelligence – A game changer in Early Cancer Detection”**
3. **DATE: 09.12.2023, TIME: 10am to 12pm, VENUE: S207**
4. **OBJECTIVE:** To guide students about Academic Career and Entrepreneurship in Computational Biotechnology.
5. **PROGRAM DETAIL:** The participants were guided on emerging AI technology and its significance by the resource person. He explained that developing responsible AI is an industry issue and a societal imperative with consideration of skin cancer detection as an exclusive example. They were made aware that AI will have a transformational or high impact on their profession in the next five years and will create new professional career paths.
6. **NUMBER OF STUDENTS PARTICIPATED:** I, II and III yr B.Sc. Biotech students (75)
7. **OUTCOME:** The students acquired knowledge regarding career opportunities in Computational biotechnology, its applications and recent innovations.
8. **PHOTO:**

Dear Sir,

Sub: A Talk on "BIOSPARKLES – The Career and Entrepreneurship program"- Artificial Intelligence: A Game Changer in Early Cancer Detection – Invitation of regarding.

MMK & SDM MahilaMahaVidyalaya, Mysuru established in 1990, is now one of the prestigious educationcentre in the city of Mysore. The College offers courses in pre-university and degree course in Science, Computers, Commerce & Management. The institution has been striving to attain all round excellence and to impart quality education along with ethical and cultural awareness to students of all strata of society under the dynamic guidance of Padmavibhushana awardee PoojyaDr.D. Veerendra Heggade. As the President of SDM Educational Society, he has been phenomenally successful in leading more than 56 Institutions throughout Karnataka.

With this description, we are happy to invite you to deliver a talk on "Artificial Intelligence: A Game Changer in Early Cancer Detection" as part of Career and Entrepreneurship program organized by Department of Biotechnology to the B Sc Life science students (Biotechnology, Biochemistry and Microbiology) of our college on 9th December 2023 . Please make it convenient to attend and oblige.

With Regards,

(Prof SainathMalligemadu)
