College campus cleaning programme was organized in our college premises 15 students participated in this awareness programme

The College Campus Cleaning Programme is an initiative aimed at maintaining a clean, healthy, and sustainable environment for students, faculty, and staff. By organizing regular cleaning drives and waste management practices, the program encourages campus community involvement in preserving the beauty and cleanliness of the surroundings. It promotes environmental awareness, responsibility, and a sense of ownership among all members of the college. Through these collective efforts, the program strives to create a positive and conducive learning environment for everyone.

OUTCOME

The college campus cleaning program successfully enhanced the overall cleanliness and hygiene of the campus, creating a more pleasant and welcoming environment for students and staff.

It raised awareness about the importance of environmental responsibility and waste management among the campus community. The initiative fostered a sense of collective responsibility, with students actively participating in regular clean-up drives. As a result, there was a noticeable reduction in littering and improved campus aesthetics, contributing to a healthier and more sustainable campus atmosphere.
