A Report on

Intercollegiate Workshop and MOU Exchange

On

“NANOSCIENCE”

In Association with Nano-Ram Technologies, Bangaluru

Date	6th October 2023
Time	10.00 AM
Venue	Auditorium of our College
Co-ordinator	Mrs. Rajarajeshwari R, Asst. Professor
Co-coordinator	Mrs. Atiya Sameen M P, Asst Professor & HOD
Beneficiaries:	46 Students

Bharathi
PRINCIPAL
MMK & SDM Mahila Maha Vidyalaya
Krishnamurthypuram, Mysuru-576364

OBJECTIVES :

- ★ The main objective of organizing this workshop was to provide knowledge on nanoparticles.
- ★ Its applications in Drug delivery ,Improved diagnostics ,Regenerative medicine, Tissue engineering ,Vaccines & Improved drug distribution.
- ★ To provide information on job opportunities in the Nanoscience field.

PROCEEDINGS OF THE WORKSHOP:

The work shop was inaugurated by Dr. Phani Rathana , Founder and Director of Nano-Ram Technologies, Bangaluru and Prof. Sainath Malligemadu, Principal of our college. Dr. Phani gave an insight on basics of nanotechnology and its applications in various life science areas. He demonstrated how to prepare a nanoparticle to the participants. The occasion was also graced by Smt. Bharathi N, Associate Professor and Vice Principal ,Smt. Sukratha K S, Associate Professor and IQAC coordinator, Smt. Rajarajeshwari R , Coordinator , and Smt. Atiya Sameen M P , Co-Coordinator of the workshop and all life science faculties.

OUTCOME:

- ★ Participants learnt to prepare nanoparticles
- ★ They acquired an awareness on openings in the field of Nanoscience
- ★ Gain knowledge and apply it to their research.

CONCLUSION:

- ❖ 46 students from UG colleges participated in the workshop and gained the knowledge on nanotechnologies in various fields . The Workshop was successful and students were enriched with theory and practical applications on Nanotechnology.

Workshop Schedule

Start	End	Title
10.30 am	11.30 am	Introduction and interaction with students
11.30 am	11.45 am	Concept of Nanotechnology with Examples
11.45 am	12.45pm	Preparation of nano materials by different methods
12.45 pm	1.00 pm	Question & Answer
1.00 pm	2.00pm	Lunch Break
2.00 pm	2.45pm	Characterization of nanomaterials Spectroscopic and Microscopic Techniques
2.45 pm	3.00pm	Question & Answer
3.00 pm	3.45pm	Applications of nanomaterials for different industries
3.45 pm	4.00pm	Question & Answer
4.00 pm	4.30pm	Opportunities in R&D / Companies - national / International
4.30 pm	4.45pm	Discussion and queries

Do you have any other comments/ suggestions?

40 responses

No

Nothing

None

No

Phani sir was great in providing knowledge about nanoscience and even about entrepreneurship for us life science students

The sessions was very good and the resource person was amazing and the information given by him will be very use full in our future and there are no suggestions I request mam to conduct such programs to the students which will improve our knowledge

The best workshop I have attended till date

No comments no suggestions but it was very good experience with great person and was very interesting topic called nanotechnology...and I like to work for it in future...thank u

Good experience

Overall excellent

It was very indeede ..

I am satisfied with the overall approach of the workshop as it was both informative and engaging . The practical implications of the concept was conveyed very well.
Thank you , looking forward to many such workshops .

No suggestions

Knowledgeable

Nothing...It's useful for our carrier.

Very Eager to work as Intern

Some how I came to know deeply new things about Nano Science

I would like to know more about the internship program

The workshop was excellent
