

Department: DEPARTMENT OF BIOCHEMISTRY

Program: Alumni Interaction program

Date: 14.06.2023

Time: 12.00 pm

Organizer: Dr Wethroe Kapfo, Head and Assistant Professor, Dept of Biochemistry

Venue: College Auditorium

Total Participants: 58

Program Objectives: To educate students about all the possible opportunities for life science undergraduates in India and specifically abroad

Program Details: Ms Sahana delivered a talk on the topic 'Exploring opportunities in life sciences for undergraduates' in India and abroad. She deliberated on learning new skills and training oneself whenever possible so as to compete with global standards. It is important to build networks as the students will be aware of openings and opportunities. Also, while deciding to study abroad, she advised to be conscious of their performance and capabilities and choose to apply for universities that met their own performance and also are located in regions in which they can cope with the change in weather and food.

Program Outcomes:

3. The students were educated about all the possible opportunities after completion of their under graduate course in life sciences
4. Specifically, Ms Sahana spoke to students about the procedure to follow for pursuing a career abroad. She discussed the necessary preparations that the students need to make during their under graduation to study abroad, validating through her personal experiences.
