Introduction:

Guest lecture programme was organized for Chemistry students to pursue their higher for that clearing PG entrance exam conducted by Universities, JAM exam by Indian institution is a must. Here are the programme objectives, proceeding and outcome.

Programme Objectives:

- To understand the syllabus, pattern of competitive exam in chemistry
- To give insight about how to manage time in exams

Programme proceeding

The session highlighted about the importance of PG entrance, JAM exam and competitive exams in chemistry along with certain tips and tricks to adopt for the preparation of these exams. The resource person also shared the links related to the mock test, syllabus and subjects and so on. He also solved few problems with the help of those tips and tricks for easy understanding. Learning through someone experience is way easier to understand.

Programme Outcome

- The students will have the knowledge on how to clear the PG CET exam, JAM exam, syllabus, pattern of exam and to maintain time duration
