Extension Activity – 2022-23

AnyScanner

Name of the Programme: Internet Awareness Programme

Department: Computer Science

Date: 25th January 2023

Coordinator: Smt. K S Sukrutha, Assistant Professor & Head

About the Programme:

A computer with the internet is the most powerful device that students can use to learn new skills and a more advanced version of current lessons. Computers and the internet not only help students to explore creativity and imagination but also help to understand technologies. The goal of technological education is to make students better thinkers, creative and confident. That helps them in higher education and in life.

The **objective** of this internet awareness programme is to educate students to become more powerful, creative, and confident that they can lead India.

With this objective, Department of Computer Science every year organizes Internet Awareness programme for nearby Government High school students as a part of community-oriented activity. All the staff members of the department and selected students actively involved in this training programme to educate the high school children.

The outcome of this Internet Awareness programme:

- ❖ Understanding the concept of Computer and Internet
- ❖ Usage of web browser
- ❖ Understanding the purpose of search engines like Google, Yahoo, etc.
- ❖ Searching, downloading and reading content of a particular topic
- ❖ Usage of MS Word and Internet
- ❖ Understanding the concept of Gmail
- ❖ Usage of YouTube for various study materials and tutorials

Dear Madam,

Sub: Internet Awareness Programme - regarding

MMK & SDM Mahila MahaVidyalaya, Mysuru established in 1990, is now one of the prestigious education centre in the city of Mysore. The College offers course in pre-university and degree course in Science, Computers & Management. The institution has been striving to attain all round excellence and to impart quality education along with ethical and cultural awareness to students of all strata of society under the dynamic guidance of our President Padmavibhushana Poojya Dr.D.Veerendra Heggade. As the President of SDM Educational Society, he has been phenomenally successful in leading more than 56 institutions throughout Karnataka.

As a part of our extension program, I wish to state that the Computer Science Department of our College will be organizing an **Internet Awareness Programme** for the students of your School on Wednesday 25th January 2023 at 10am . In this connection, I request you to send at least two staff members along with your students for the above said programme and oblige.

Thanking you.

Yours truly,

Principal
(Prof Sainath Malligemadu)

Respected sir,

We thank you immensely for providing an opportunity to 21 students of 8th standard of our school, to visit your Computer Science Laboratory on 25th January 2023 and for providing hands on session on Internet Awareness Programme which motivated them to learn more about the same. We thank Smt. K S Sukrutha, HO D of Computer Science Department and faculty members of the department for guiding our students. We look forward to these kind of interactions in future also.

With regards,

Yours sincerely
