

## **Dry waste collection Drive**

**Functional Committee:** Science and Nature Club

**Date:** 08-02-2023 to 10-02-2023

**Prepared by:** Smt. RajaRajeshwari R, Coordinator

### **Introduction:**

**Dry waste** comprises of things like paper, glass, plastic, cardboard, rubber, metal, food packaging material, milk cartons and packets etc. it is a serious problem to the environment because it is not easily recycled or degraded. This causes an environmental pollution

### **Objectives:**

1. To reduce land and environment pollution
2. Ensure sustainability

### **Proceedings of the program:**

In vision of making green environment IQAC and Science and Nature Club in association with ITC Private Limited, Wellbeing out of Waste (WOW) and E Sree Foundation as organized "College Exchange Recycling Program"- 3 days dry waste collection drive was conducted and more than one ton of dry waste was collected.

**Number of students participated:** 117 students

### **Outcome:**

The drive was successful because more than one ton dry waste was collected from 4 staff and 117 students alone a tiny step was taken towards initiating green environment and minimizing the environmental pollution.
