SCIENCE AND NATURE CLUB

The Science & Nature Club is dedicated to fostering a deep appreciation for the interconnectedness of science and nature. By merging scientific inquiry with a profound respect for the natural world, the club aims to inspire innovative solutions for environmental challenges. Activities include Birds and Butterflies watch, lectures on various topics, Celebrating National Science Day and sustainability projects that highlight the role of science in understanding and preserving our ecosystems. Emphasizing the importance of scientific knowledge and environmental stewardship, the club encourages members to explore how scientific advancements can coexist with and enhance our natural surroundings, promoting a sustainable future for all.

Mysore Zoo

Sri Chamarajendra Zoological Gardens, Mysore established in 1892 has got international recognition for its unique achievements in breeding more than 151 species of both exotic and indigenous origin. The Mysore Zoo has contributed to the conservation by developing a unifying bond between animals and visitors inspire, concern for wildlife and wild spaces.

The main objectives of the Mysore Zoo are to impart conservation education to the public to inspire empathy for wildlife and veterinary aspects of animals in captivity. It is proudly acclaimed that zoo has been successful in creating a connection between animals and visitors by providing best inspirational and educational experiences, fostering public appreciation and support for conservation of wild animals.

Since its inception, the Mysore Zoo has expanded from a mere 10.9 acres to 157.15 acres including the Karanji Lake with its picturesque background of Chamundi Hills. Efforts are being made to provide wondrous environment for our visitors and the animals in our care. Karanji Lake has been developed into a bird watcher's paradise with many heronary and butterfly park. It serves as an important recreational facility offering boating and nature walk with strong conservational inputs.

Be part of Mysore Zoo
Adopt an animal for a cause

Why to adopt?

The adoption programme is a novel way to show your support and care for wild animals. By adopting your favorite animal, you will contribute towards feeding of the animal for one full year (or period of adoption). You will be a part of Mysore Zoo's efforts in wildlife conservation

Mysore Zoo is involved in captive breeding programme for endangered species and other conservation projects - all of which need the support of concerned people like you.

Finally, adopting an animal is fun not only for you, but for your friends and family too. An adoption makes a great gift for birthdays, anniversaries etc., and is always unique. Show your concern towards conservation.

How do I adopt an animal?

1. Pick your favorite animal/s from the list noted in this leaflet.
2. Choose a level of support.
3. Fill in the attached form and drop it in the mail box or hand it over to zoo office along with payment.
4. You can also gift an adopted animal to your friends, parents or relatives and children.

Dear Sir,

Sub: Adoption of animal under Animal Adoption Scheme of Mysuru Zoo- Reg.

☆☆☆☆☆☆

We express our sincere gratitude for adopting the "Peacock & Common Barn Owl" for a period of One Year from 30/10/2023 to 29/10/2024 by making a payment of Rs.10,000/- (Rupees Ten Thousand only). We promise you that, the money donated shall be used in the most transparent manner for the noble cause of environmental conservation with emphasis on display of fauna and flora in the most naturalistic condition.

We also welcome your suggestions or any ideas that would further strengthen the cause of environmental protection. Your concern about the zoo animals is very much appreciated. The complimentary pass & adoption certificate are enclosed herewith.

We once again thank you and request for your continued support for this noble scheme.

Yours faithfully,

Executive Director,
Sri Chamarajendra Zoological
Gardens, Mysuru
