

CAMPUS CLEANING

PROGRAM TITLE: Campus Cleaning

DATE: 23/03/2024

TIME: 9 AM

ORGANIZED BY: Science and Nature Club

VENUE: College Campus & Surroundings

BENEFICIARIES: 14 students

OBJECTIVE: To promote cleanliness and hygiene within the college campus, involving various student organizations to actively participate in cleaning activities.

PROGRAM DETAILS: Science & Nature Club, Youth Red Cross, National Seva Scheme and Rangers Unit of the college together organised a Campus Cleaning Drive on 23/03/2024, around 45 students in total actively participated in cleaning activities. The program included activities such as collecting litter, cleaning the surroundings, and raising awareness about the importance of cleanliness and sanitation.

OUTCOME: This initiative plays a crucial role in fostering a clean and healthy environment for both students and the community.
