Dear Sir/Madam,

Sub: Invitation to collaborate the National Level Competition – reg

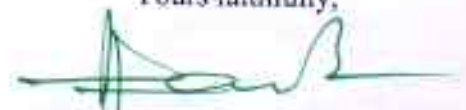

MMK & SDM Mahila Mahavidyalaya, was started in the year 1990 and managed by Shri Dharmasthala Manjunatheshwara Educational Society®, Ujire. The college has excelled in the field of education with the guidance of our respected President Poojya Padmavibhushana Sri Dr. D. Veerendra Heggade, Dharmadhikari, Dharmasthala

The college offers M. Com, B.Com, BCA, B.Sc, BBA and PUC Courses for more than two thousand girl students. The college provides access for equitable and affordable education to rural women students of neighbouring Mysore city. Thus, it tries to fulfill its objective of empowerment of women through education and employment.

The above said education has been imparted through classes and other various academic activities and competitions. In connection with this, we are organizing a National Level Competition to celebrate National Technology day on 11th May, 2022 and we are happy to collaborate with you to organize this event. Hereby, we invite you to join hands to organize the National Level event and co-operate.

With regards,

Yours faithfully,

Sir,

Received your invitation for celebration of National Technology Day on 1/05/2022. We congratulate you for organising this event as an attempt to throw more light on the influence of Science and Technology in the development of civilisation and readiness to face the challenges in day to day life of fellow citizens, more importantly for giving an opportunity to a number of students to express their insights on the topic for the wellbeing of the Society at large.

We wish the function all the best. Please convey our regards to the Guests and Speakers of the day.

Thank you,

With regards

About ITECHNARY:

The event ITECHNARY is an initiative of IQAC - MMK & SDM MMV & Organized by Innovation and Incubation centre, to celebrate National Technology Day on 11th May, 2022. This is the first time of such a celebration which will be an annual event organized biennially. The program will commence with the inauguration ceremony on 11th May, 2022 followed by the month of May as National Technology Month. During this month, a number of competitions will be held nationally to seek out and display the works of the young genius of our country. These competitions are organized for students from PUC or higher secondary education to research scholars. By these events the objective is to fulfil the dream of highlighting the influence of Science and Technology in the development of civilization and the scope of addressing the current challenges for various sectors of mankind of living.
