## Policy Document on Disable Friendly Environment

### Disability Support Facilities:

The Institute strives in providing necessary access, creating homely ambience and facilities for these students. The institute recognizes the importance to nurture them from serving them to seek admission till the completion of their degree from the Institutes.

The institute also recognizes the importance of creating an environment of understanding and mutual respect for the dignity and importance of each person in contribution to the development of individual, Institute and Society.

To avoid discrimination the Institute strategizes to promote equal right and access to education for all those who are underprivileged with physical disability.

The policy has been devised to provide a motivating environment for students and encouraging them to accommodate their pedagogic needs.

### Objectives:

1. Students with disability will have equal access to all the facilities available at the institute:
  - a. Facilitating access to buildings and facilities.
  - b. To provide access to academics, co and extra- curricular activities.
  - c. Receiving information in accessible formats.
  - d. Providing opportunities to make complaints and provide feedback.
  - e. Opportunities with respect to for employment at the Institute.
2. Equipping them with Add on programs and skill based opportunities.
3. Encouraging them to participate in all the curricular and extra-curricular activities.
4. To facilitate the personal and professional growth of students with different abilities.
