A Brief Report on One Day National Seminar On Data Science Organized by Department of Computer Science

Department of Computer Science of Mysore Makkala Koota and Shri Dharmastala Manjunatheshwara Mahila Maha Vidyalaya had organized One Day National Seminar On Data Science on 25th January 2019. Prof.Dr.G.Hemantha Kumar, Honorable Vice Chancellor, University Of Mysore, Mysore inaugurated the seminar. Dr. B. Yashovarma, SDM Education Society, Ujire presided over the Function. Dr.P.S.Hiremath, Professor of Computer Science, KLE Technological University, BVBCET, Hubli was the Chief Guest. In the Photo seen are Prof.Sainath Malligemadu, Principal, Smt.M.V.Asha, Principal of PU College, Smt.G.R.Sumithra , IQAC Coordinator, Smt.K.S.Sukrutha, Convener and HOD of Computer Science. A total of 61 participants were present including Faculty Members of other Colleges, Post Graduation Students and Research Scholars.

After the Inauguration, Keynote Address was given by Dr. P.S.Hiremath. Technical Sessions one on the topic **Feature Engineering** by Dr.Veerabadrappa, Associate Professor & Head, Department of Computer Science, University College, Mangalore and Technical Sessions two on the topic **Autonomous Driving** by Dr.Naveen Onkarappa, Principal Engineer, Haarman International Pvt. Ltd, Bengaluru were delivered.

SDME Society®, Ujire

SDM Educational Society®, Ujire is a premier non-profit Educational Organization functioning under the sacred aegis of Shree Kshetra Dharmasthala. Under the able guidance of the distinguished President Padma Vibhushana Awardee **Dr.D.Veerendra Heggade,** SDM Educational Society spearheads more than 50 premier academic and professional institutions spread across Karnataka. Establishments that represents the best of traditional expertise and contemporary excellence from the base of studies in subjects ranging from Medicine, Engineering, Law, Social Science, Management, Naturopathy and Ayurveda.

MMK & SDM Mahila Mahavidyalaya

Initially the College was established in the year 1990 by Mysore Makkala Koota and then the College has been taken over by Shree Dharmasthala Manjunatheshwara Educational Society®, Ujire in 1992. The Institution has been striving to attain all-round excellence and quality education to girl students of all strata of society. Its vision is to create an integrated system that meets the higher educational needs and scientific temperament of the region and society. As a part of this mission, the Department of Computer Science of the College is organizing a One Day National Seminar.

About Mysore

Mysore popularly known as Heritage City is one of the largest districts in Karnataka and is 140 km from Bangalore, the State Capital. Mysore is the cultural capital of the Karnataka State which has many Heritage Monuments, Educational, Commercial and Administrative Centres. The city with the majestic Mysore Palace, the Royal Mansions, Public Buildings, Chamundi Hill, Brindavan Garden, Water Bodies attracts the people from all over the World. Srirangapatna, Ranganathittu Bird Sanctuary, Nanjangud, Shivanasamudra Falls, Talakadu, Biligiri Rangana Hills, Somanathapura Temple, Halebeedu Beluru Temple, Shravanabelagola etc.. are some of the tourists attractions around Mysore City. The host College is situated at the heart of the city and is in the radius of 3 to 4 Kms to reach Bus Terminal and Railway Station.

Department of Computer Science

The Department of Computer Science came into existence in 1997 to offer Computer Science subject as one of the optional subjects in the B.Sc Course. Ever since its inception, the Department is striving to impart quality education. In the year 2009-10, BCA course was started. The Department has well equipped Laboratory with latest equipments and Software Packages along with 18MBPS leased line internet facility. To enable the students to have hands-on feel of multiple talents the department organizes many activities like IT Quiz, Debate, Lecture Competition, Debugging Competition etc under the banner of Tech Amateur IT Club of the department. Industrial visits are arranged to provide much needed linkage between academics and industry. Guest Lecture Programmes by eminent scholars and industrialists are organized constantly to enhance the knowledge of students and teachers.

The Department also publishes Bi Annual News letter GI-Talk. The Department also organizes Computer Awareness Programme for nearby Government High Schools Children every year in the College. The College also encourages the students for internship and placement activity with an exclusive placement cell.

About the Seminar

Data Science is the processing of the large amount of unstructured and semi structured data. It is a blend of various tools, algorithms & machine learning principles with the goal to discover hidden patterns from the raw data. After collecting and processing the structured data from the machine learning tools, data scientists interpret, convert and summarize the data so it is useful for the decision-makers. Hence this field has become much more challenging, interesting, complex which requires more research.

The spotlight of this seminar is to know more about Data Science which involves learning more complex and advanced analytical tools and algorithms for processing, analyzing and drawing meaningful insights out of raw data which adds value in taking major decisions in the organizations

Objective of the Seminar

The objective of the seminar is to share knowledge among participants, orient teachers and motivate them to take up research work on Data Science. Thus to provide a forum for the exchange of views through the presentations and discussions.

Registration

Registration is open to all Academicians, Research Scholars and Post Graduate students. Registration timings - 9.30am to 10.00am.

Registration Fee

Academicians / Industrialists	**Rs. 400/-**
Research Scholars /Post Graduate Students	**Rs. 200/-**

Accommodation

Delegates are requested to make their own arrangements for their stay. However, such arrangements will be made on advance request and payment.

National Seminar on Data Science tomorrow

Mysuru, Jan 24- Mysore Makkala Koota and Shri Dharmasthala Manjunatheshwara Mahila Mahavidyalaya (MMK&SDM), Mysuru, under the auspices of Department of Computer Science has organised a National Seminar on 'Data Science' on Jan.25 at 10 am at the College auditorium in Krishnamurthypuram.

Prof. G. Hemantha Kumar, Vice-Chancellor, University of Mysore, will inaugurate the seminar. Dr. P.S. Hiremath of Computer Science Department, KLE Technological University, Hubballi, will deliver the keynote address. Dr. B. Yashovarma, Secretary, SDM Educational Society, Ujire, will preside.

Technical Sessions will be delivered by Dr. Naveen Onkarappa, Principal Engineer, Harman International India Private Limited, Bengaluru and Dr. Veerabadrappa, HoD of Computer Science, University College, Mangalore.

The main objective of the seminar is to share knowledge among budding technocrats, orient teachers and motivate them to take up research work in the field of Data Science.

The Seminar is open to Academicians, Research Scholars and Post Graduate students of Computer Science.

For details, contact Convener: K.S. Sukrutha, HoD of Computer Science, MMK & SDM College on Mob: 99001-92418 or e-mail: sukrutha@sdmmmkmysore.in, according to press release.
